Marlowe: A Critical Study

F. S. BOAS

A thoroughly critical appreciation of Marlowe's poetic and dramatic genius, and achievement—prompted by a fresh study of the original sources—pervaded by a fine critical balance. It is an attempt to estimate the life and work of Marlowe for the general reader and Marlowe as strongly indeed. 'A very good work and a welcome boon for which a most grateful ... I can only confirm the sense of satisfaction in the perusal.' W. A. Darlington in *The Daily Telegraph*. 'Critical guidance of the highest order.' *The Times*
